Dear Mr. Xyz

I hope you are doing well. I wanted to take a moment to express my sincere gratitude for your support and guidance on maintaining all layers with individual image and color combination in the Airlines project. Your valuable insights and encouragement have been instrumental in helping me complete the task efficiently.

I truly appreciate the time and effort you invested in assisting me, and I look forward to applying what I have learned under your mentorship. Thank you once again for your help.

Best regards,
